Well I dreamed I saw the knights in armor coming Say in something about a queen. The where

peasants singing and drummers drumming And the archer split the tree. There was a

fanfare blowing to the sun that was floating on the breeze.

Look at Mother Nature on the run in nineteen seventies

2. I was lying in a burned out basement
 With a full moon in my eye
 I was hoping for replacement
 When the sun burst through the sky
 There was a band playing in my head
 And I felt like getting high
 I was thinking about what a friend had said
 I was hoping it was a lie
 I was thinking about what a friend had said
 I was hoping it was a lie

3. Well I dreamed I saw the silver spaceship flying
 In the yellow haze of the sun
 There were children crying and colours flying
 All around the chosen one
 All in a dream, all in a dream
 The loading had begun
 Flying mother nature's silver seed
 To a new home in the sun
 Flying mother nature's silver seed
 To a new home in the sun
